## INFORMATION LETTER

We are glad to send You the Informational message concerning the preparation and organization of **The 13th International Scientific-Practical Conference of postgraduate students, students and young scientists "THEORETICAL KNOWLEDGE - INTO PRACTICE"**, which will take place on the **16<sup>th</sup> – 21<sup>th</sup> of April, 2012** in Omsk. The conference is organized by state educational institution of higher professional education «**Moscow state university of technologies and management**» on the basis of Omsk branch.

We are pleased to invite You, Your University (or Institute) students, postgraduate students and young scientists to take part in the conference.

On the plenary and sectional sessions the following questions are offered for consideration:

1. Innovative techniques in light industry.
2. Analysis of the present condition and modeling of innovative social-economic development of business entities.
3. Modern chemical techniques and physical processes in production.
4. Fundamental problems of up-to-date mechanical engineering.
5. Mathematical models, methods and information technologies (IT) in solving professional problems.
6. Humanist aspects of scientific-and-technological progress.
7. Automation of the technological and manufacturing processes in modeling and diagnostic systems.
8. Cossacks in modern Russia: innovations and traditions. In this section there will be round-table work in which representatives of Cossacks from different regions of the country and Cossack educational institutions are welcomed to take part.

On topics of the sections special top-classes will be held by leading specialists.

Please actively contribute towards this event by:

- Participating in the conference (in presence or in absence).
- Making a presentation on a related topic.
- Writing and presenting an article (regular article up to 4 pages or theses up to 2 pages) that will be published in the proceedings (The conference Composite book).
- Proposing and taking part in special workshops / sessions within your scientific interests.

- Communicating this further to colleagues within your professional interests.

In the network of the conference we hold a contest of students` and postgraduate students` reports.

The number of reports of one author is not more than two (including the co-authorship). One article can have not more than two authors and supervisors of studies.

Participation at conference can be made both in presence and in absence. The official conference language is Russian. Sorry but no simultaneous translations will be available. The article may be either in Russian or in English.

All the reports (articles) will be published in the conference Composite book.

Oral presentation may be accompanied by multimedia (Windows XP, MS Power Point 2003).

For application form see Enclosure 2.

For the formatting guidelines see Enclosure 1.

The deadline for sending applications for participation at the conference: 25.11.2010.

The deadline for article submission: 31.03.2011.

All the publications are free. The Composite book is available either in printed or in electronic form. The fee for one printed book is 600 roubles and for an electronic copy – 300 roubles. The postage is at the expense of the author. The participants of the conference can make the order by [konf\\_mgtu@mail.ru](mailto:konf_mgtu@mail.ru).

For more payment terms contact the Co-chairman and chief executive of The Conference Organization Committee.

The payment form would be accessible on the website. The copy of the payment receipt (PDF) should be attached to the file with the article.

The dispatch of the conference Composite book will be done by 15<sup>th</sup> of May 2011.

Receipt of your papers will be acknowledged electronically, and the notification of acceptance will be sent by 15th March 2011.

It should be marked that The Conference Organization Committee has the right to:

- ✓ turn down the papers if the deadlines are not observed and/or the papers do not correspond to the sections themes;
- ✓ ascribe the papers to the other section without author`s agreement.

In this case the papers and arrangement fees are not paid back and the reject cause is not commented.

The program of events will be available at our website since the 2nd of April 2011.
